# Contents

- 03 Studio Profile
- 05 What We Produce
- 07 Commercial Structure
- 09 Engagement Notes

Prime 88 prepares structured commercial materials, presentation documents, and client-facing packets with controlled scope and formal delivery.

# Prime 88

## Commercial studio profile

---

Prime 88 develops presentable commercial materials, brand-led documents, and controlled client-facing packets for businesses that require a disciplined public standard.

Work is arranged through defined scope, controlled revision terms, and formal commercial documentation.

---

## Commercial Structure

Studio / Project Surface — Prime 88

Billing, Invoicing, and Remittance — Mediator Solutions LLC

Client Relationship — Contracted per engagement

---

# What We Produce

## Commercial Packets

Profiles, proposals, agreement packets, and invoice-ready document sets.

---

## Presentation Surfaces

Brand-led PDF decks and formal project materials prepared for client review.

---

## Structured Revisions

Controlled revision passes within agreed scope and approval boundaries.

---

## Delivery Support

Final export sets prepared for signature circulation, review, and formal handoff.

# Commercial Administration

All billing, invoicing, payment receipt, and commercial administration are handled by Mediator Solutions LLC.

Prime 88 remains the studio and project-facing surface.

---

## Engagement Notes

Work proceeds only under defined scope.

Additional work, revision cycles, and new deliverables require written approval.
